OVERVIEW

Own a True Icon of Modern Design
When the set was introduced in 1956, there was nothing like it, and there is still nothing to equal it. The Eameses' modern take on a 19th century club chair has not only endured for more than 50 years, it has become one of the most significant furniture designs of the 20th century—instantly recognizable and enduringly fresh. Like all classics, the chair and ottoman get better with age, in part because of how they are made. From the innovative hardware that fastens the cushions to the shells without marring the appearance of the wood to the fact that each piece continues to be assembled by hand, the combination of craft and manufacturing consistency results in pieces that are genuinely authentic.

CARE AND MAINTENANCE

- Polished Aluminum**
For normal cleaning, apply a pre-softened paste wax to polished aluminum components following the manufacturer's instructions.
- Coated Metal**
For normal cleaning, wash coated metal surfaces with a soft cloth soaked in detergent and warm water; rinse thoroughly and dry.
- Plastic**
For normal cleaning, wash plastic surfaces with a soft cloth soaked in mild detergent and warm water. Rinse thoroughly and dry with a soft cloth.
- Wood & Veneer**
Dust regularly with a slightly damp, soft, lint-free cloth. Wipe dry with a dry, soft cloth in the direction of the wood grain. Spills should be immediately wiped up with a damp cloth.
- Fabric**
For normal cleaning, vacuum upholstery fabric using an upholstery attachment. If further cleaning is needed, dry-clean or spot clean fabric with solvent cleaner.

Fantastic looking and very comfortable. Purchased the tall version due to my 6 2 height and suits me well. Quality of construction unreal in this day and age should last me along time. Struggle to remove myself from it each day!!

Really love the chair. We're tall people and the chair sits low to the floor. Should have ordered the taller model for our height. Difficult to get up from the low angle. Plush and comfortable. Great wood and leather.
